Both have vast experience in handling of fans in difficult situations e.g. in international matches like Arsenal or Rotterdam.
  - Mr **Hans-Georg Luetzenkirchen**  
Social Scientist
  - Dr. **Bialojahn**, Mr **Schüngel**, Mr **Soll** and/or Dr. **Vollmann (ESCORT)**  
Representatives of community-initiative „*Ein Dach für Fans*“ (A roof for fans: EDFF)  
EDFF in cooperation with FES worked topics such as „reduction of prejudices“, „against racism“, „against xenophobia“ and arranged contacts between German and international fans. The basic thought was: As long as fans deal and live with each other peacefully, there will be no violent conflict. EDFF with support of FES could offer an online platform for fans worldwide in different languages (English, French, Italian, Portuguese, Spanish, Czech, Polish, Ukraine) to receive information, share advise and sorrows. Additionally a telephone hotline was implemented for the duration of the world cup and a guide with practical information was distributed
